Photography depicts items such as homewares, furniture, swimming pool, landscaping and fencing that are not supplied by Coral Homes.

30 Years of Home Building

Our mission is to provide Australian families with a wide range of quality homes at an affordable price. We pay attention to the details and strive for a high standard of finishes - so you know you’re getting better value for money with Coral Homes.

Our home designs are inspired by the Australian lifestyle and climate. We focus on bringing the outdoors in and creating a strong connection between the centralised open-plan living areas and outside entertaining spaces.

With over 200 flexible floorplans, plus an array of fixtures, technologies and colours for you to choose from, our design options are guaranteed to cover your dream home needs.

Bahama Series

Comprising two storeys of truly innovative open-plan living, the Bahama Series promises something special from the moment you enter the homes’ light-filled entry. These homes promote indoor/outdoor living with spacious areas dedicated to both alfresco dining and outdoor lounging.

With no shortage of space, this series can accommodate larger families with ease. A double garage, plenty of storage and three generously sized living areas means there’s something for everybody in the Bahama series.
Bahama Facade Options

Facades based on Bahama 37. Facades depict items such as homewares, furniture, landscaping and fencing that are not supplied by Coral Homes. Facades are indicative only, conceptual in nature and subject to change. Facades depict non-standard finishes, fixtures and fittings. Additional costs for timber decking, driveway, lighting, more than one colour and deep base paints, tiles, non-standard brick and off white mortar apply.

Baltimore Series

A clever and versatile range of family homes that offer functionality where needed most. Immerse yourself in this home’s family-friendly communal areas, where open-plan kitchen, living and dining spaces provide seamless living.

From the four generously sized bedrooms to a luxurious master retreat for the grownups, the Baltimore offers the very best in practical home design and can be built on lot widths from 10m upwards.

Boston Series

The Boston series has a variety of facade options to choose from and offers an impressive open-plan kitchen, dining and family area on the lower level that’s well connected to the outdoor living area. Along with a dedicated study, downstairs your family will be spoilt for space with two separate living areas. Upstairs you’ll find five bedrooms in most plans adjoining a separate activity room; an ideal space for the kids to call their own. The crowning jewel in the Boston is the well-appointed and generously sized master suite, sitting proudly at the front of the home.

Seattle Series

On entering these homes, you’ll be greeted with a large open living area adjoining an office. As you continue towards the back of the home you’ll discover an open-plan kitchen, dining and family space, which spills out onto an inviting outdoor living area. Upstairs you’ll find enough bedrooms to accommodate a growing family, along with a separate activity room for the kids to call their own.
